SUBJECT: Senate Bill 1022 (Adult Local Criminal Justice Facilities Construction Financing Program) San Joaquin County Scope Change: **Requesting Approval.**

Summary

This agenda item requests that the Board of State and Community Corrections approve San Joaquin County's request for a scope change of its Senate Bill 1022 Adult Local Criminal Justice Facilities Construction Financing Program (SB 1022) facility.

Background

At the January 16, 2014 BSCC meeting San Joaquin County received a conditional partial award of \$33,352,000 from SB 1022. This award is for the construction of a new 384-bed detention and program facility (Attachment B-1).

The BSCC has received a letter from San Joaquin County, dated May 2, 2017, requesting a revised scope (Attachment B-2). The proposed scope change reduces the bed count to house 256 medium security offenders, and adds a medical clinic and space for in-person visitation.

Recommendation/Action Needed

1. Staff recommends the Board approve San Joaquin County's request to change the scope of its SB 1022 project financing for Adult Local Criminal Justice Facilities.
