**Summary:**

Current law requires each law enforcement agency, on or before January 1, 2021, to maintain a policy that provides a minimum standard on the use of force. Current law requires that policy, among other things, to require that officers report potential excessive force to a superior officer when present and observing another officer using force that the officer believes to be unnecessary, and to require that officers intercede when present and observing another officer using force that is clearly beyond that which is necessary, as specified. This bill would require those law enforcement policies to require those officers to immediately report potential excessive force, as defined.

**Summary:**

Would prohibit the use of kinetic energy projectiles or chemical agents by any law enforcement agency to disperse any assembly, protest, or demonstration, except in compliance with specified standards set by the bill, and would prohibit their use solely due to a violation of an imposed curfew, verbal threat, or noncompliance with a law enforcement directive. The bill would include in the standards for the use of kinetic energy projectiles and chemical agents to disperse gatherings the requirement that, among other things, those weapons only be used to defend against a threat to life or serious bodily injury to any individual, including a peace officer, or to bring an objectively dangerous and unlawful situation safely and effectively under control.

**Summary:**

Current law requires any local law enforcement agency that adopts or updates a hate crime policy to include specified information in that policy, including information on bias motivation. This bill would include a statement of legislative findings and declarations and require the basic course curriculum on the topic of hate crimes to be developed in consultation with subject matter experts, as specified. The bill would, subject to an appropriation of funds for this purpose in the annual Budget Act or other statute, require the Commission on Peace Officer Standards and Training (POST) to update the basic course to include the viewing of a specified video course developed by POST. The bill would also require POST to make the video available via the online learning portal, and would require all peace officers to complete specified training materials no later than one year after the commission makes the updated course available. The bill would require POST to develop and periodically update an interactive course on hate crimes for in-service peace officers, and require officers to take the course every 6 years.

**Summary:**

Current law establishes the Division of Juvenile Justice within the Department of Corrections and Rehabilitation to operate facilities to house specified juvenile offenders. Current law, commencing July 1, 2021, prohibits further commitment of wards to the Division of Juvenile Justice unless the ward is otherwise eligible to be committed to the division and a motion was filed to transfer the ward from the juvenile court to a court of criminal jurisdiction. Current law requires that all wards committed to the division prior to July 1, 2021, remain within the custody of the division until the ward is discharged, released, or transferred. This bill would require a court to consider, as an alternative to commitment to the Division of Juvenile Justice, placement in local programs established as a result of the realignment of wards from the Division of Juvenile Justice to county-based custody.

**Summary:**

Current law requires the Commission on Peace Officer Standards and Training (POST) to establish a certification program for specified peace officers, including officers of the Department of the California Highway Patrol. Current law requires the commission to establish basic, intermediate, advanced, supervisory, management, and executive certificates for the purpose of fostering the education and experience necessary to perform general police service duties. Current law requires certificates to be awarded on the basis of a combination of training, education, experience, and other prerequisites, as determined by the commission. This bill would require the office of the Chancellor of the California Community Colleges to develop a modern policing degree program, with the commission and other stakeholders to serve as advisors, as specified, and to submit a report on recommendations to the Legislature outlining a plan to implement the program on or before June 1, 2023.

**Summary:**

Current law establishes the Office of Statewide Health Planning and Development (OSHPD), under the control of an executive officer known as the Director of Statewide Health Planning and Development. The office is vested with all the duties, powers, purposes, and responsibilities of the State Department of Public Health relating to health planning and research development. Current law creates the health care workforce clearinghouse to serve as the central source of health care workforce and education data in the state to collect data regarding health care workers, including the supply of health care workers and current and forecasted demand for health care workers. This bill would rename the Office of Statewide Health Planning and Development as the Department of Health Care Access and Information. The bill would repeal numerous duties and programs currently carried out by the OSHPD, including, among others, rural health care transition oversight, the Steven M. Thompson Medical School Scholarship Program, and the Postsurgical Care Demonstration Project.

**Summary:**

Current law establishes various programs that authorize the Department of Corrections and Rehabilitation or the Board of State and Community Corrections, participating counties, and the State Public Works Board to acquire, design, and construct local jail facilities or adult local criminal justice facilities, as defined, approved by the Board of State and Community Corrections. Current law authorizes the State Public Works Board to issue revenue bonds, notes, or bond anticipation notes to finance the acquisition, design, and construction of approved county jails or adult local criminal justice facilities under these programs in the amounts of \$867,434,000, \$509,060,000, \$500,000,000, and \$270,000,000. The funds derived from those revenue bonds, notes, or bond anticipation notes are continuously appropriated for the purposes described above. This bill would decrease the amounts of revenue bonds, notes, or anticipation notes that the State Public Works Board may issue for these programs to \$840,445,397, \$412,474,000, \$420,000,000, and \$244,516,000, as specified, thereby making an appropriation.

**Summary:**

The Ralph M. Brown Act requires, with specified exceptions, that all meetings of a legislative body of a local agency, as those terms are defined, be open and public and that all persons be permitted to attend and participate. Under existing law, a member of the legislative body who attends a meeting where action is taken in violation of this provision, with the intent to deprive the public of information that the member knows the public is entitled to, is guilty of a crime. This bill would require local agencies to conduct meetings subject to the act consistent with applicable state and federal civil rights laws, as specified.

**Governor's Message:**

To the Members of the California State Assembly: I am returning Assembly Bill 339 without my signature. This bill requires, until December 31, 2023, that city councils and boards of supervisors in jurisdictions with over 250,000 residents provide both in-person and teleconference options for the public to attend their meetings. While I appreciate the author's intent to increase transparency and public participation in certain local government meetings, this bill would set a precedent of tying public access requirements to the population of jurisdictions. This patchwork approach may lead to public confusion. Further, AB 339 limits flexibility and increases costs for the affected local jurisdictions trying to manage their meetings. Additionally, this bill requires in-person participation during a declared state of emergency unless there is a law prohibiting in-person meetings in those situations. This could put the health and safety of the public and employees at risk depending on the nature of the declared emergency. I recently signed urgency legislation that provides the authority and procedures for local entities to meet remotely during a declared state of emergency. I remain open to revisions to the Brown Act to modernize and increase public access, while protecting public health and safety. Unfortunately, the approach in this bill may have unintended consequences. Sincerely, Gavin Newsom

**Summary:**

Current law requires each law enforcement agency to maintain a policy that provides guidelines on the use of force, and to annually furnish specified information to the Department of Justice regarding the

use of force by peace officers employed by that agency. Current law requires the Attorney General to investigate incidents of an officer-involved shooting resulting in the death of an unarmed civilian, as specified. deadly use of force incidents other than those required to be investigated by the Attorney General, require an agency to cause a criminal investigation of these incidents to be conducted, and would prohibit a law enforcement agency from having primary responsibility for conducting the criminal investigation into those incidents involving an officer employed by that agency. This bill would instead provide alternative protocols for investigations of those incidents, including investigation by the district attorney's office, another law enforcement agency, or a multidisciplinary and multiagency task force. The bill would specify that these requirements apply only to a criminal investigation and not to any administrative or disciplinary investigation.

**Summary:**

Currentlaw authorizes a county sheriff to discharge a person from a county jail at any time on the last day that the person may be confined that the sheriff considers to be in the best interests of that person. Current law additionally authorizes a sheriff to offer a voluntary program to a person, upon completion of a sentence served or a release ordered by the court to be effected the same day, that would allow the person to stay in jail for up to 16 additional hours or until normal business hours, whichever is shorter, in order to offer the person the ability to be discharged to a treatment center or during daytime hours, as specified. Current law authorizes the person to revoke consent and be discharged as soon as possible and practicable. Current law requires a sheriff offering this program to, whenever possible, allow the person to make a telephone call to arrange for transportation or to notify a bail agent, as specified. This bill would require a sheriff to make the release standards, release

processes, and release schedules of a county jail available to incarcerated persons, as specified.

**Summary:**

Current law authorizes a probation officer, parole officer, or peace officer to rearrest a person without warrant or other process during the period that a person is released on probation, conditional sentence or summary probation, or mandatory supervision, or when the person is subject to revocation of postrelease community supervision or parole supervision, if the officer has probable cause to believe that the supervised person is violating the terms of their supervision. Current law allows a court to order the release of a supervised person from custody under terms and conditions the court deems appropriate, unless the person is serving a period of flash incarceration. This bill would require a court that elects to order the release of persons on probation pursuant to this provision to release persons on probation on their own recognizance pending a formal revocation hearing absent a finding by clear and convincing evidence that conditions of release are required by the individual circumstances of the case in order to reasonably protect the public and provide reasonable assurance of the person's future appearance in court. The bill would prohibit a court from imposing cash bail as a condition of release absent a showing by clear and convincing evidence that other reasonable conditions of release would be inadequate to encourage the person to attend court in compliance with the court's orders.

Current law provides that, subject to certain exceptions and reasonable regulations, the state body shall provide members of the public an opportunity to directly address the state body on agenda items. Current law authorizes the state body to limit the amount of time allotted for each member of the public to speak, but specifies that members of the public who use translators shall be given twice that allotted amount of time. This bill would also require a state body, when it limits time for public comment, to provide at least twice the allotted time to a member of the public who utilizes translating technology to address the state body. The bill would additionally make technical, nonsubstantive changes.

**Summary:**

Current law authorizes, until January 1, 2022, the Counties of Alameda, Butte, Napa, Nevada, Santa Clara, and Ventura to establish a pilot program to operate a deferred entry of judgment program for eligible defendants. Current law requires each participating county to establish a multidisciplinary team to meet periodically to review and discuss the implementation, practices, and impact of the program, and to submit data on the pilot program to the Board of State and Community Corrections. Current law requires the board to conduct an evaluation of the pilot program's impact and effectiveness, as specified, and would require, no later than December 31, 2020, the evaluation to be combined into a comprehensive report and submitted to the Assembly and Senate Committees on Public Safety. This bill would extend the pilot program to January 1, 2024, and would instead require, no later than December 31, 2022, the above-specified comprehensive report to be submitted to the Assembly and Senate Committees on Public Safety.

**Summary:**

Would, until January 1, 2025, authorize the County of Yolo to offer a pilot program, known as the Secured Residential Treatment Program, for individuals suffering from substance use disorders (SUDs) who have been convicted of qualifying drug-motivated felony crimes, as specified. The bill would require the program to meet certain conditions relating to, among other things, a risk, needs, and psychological assessment, a comprehensive curriculum, a determination by a judge of the length of treatment, data collection, licensing and monitoring of the facility by the State Department of Health Care Services, and reporting to the department and the Legislature.

**Governor's Message:**

To the Members of the California State Assembly: I am returning Assembly Bill 1542 without my signature. AB 1542 would authorize the County of Yolo to offer a pilot program that would allow individuals struggling with substance use disorders, who have been convicted of qualifying drug-motivated crimes, to be placed in a Secured Residential Treatment Program. I understand the importance of developing programs that can divert individuals away from the criminal justice system, but coerced treatment for substance use disorder is not the answer. While this pilot would give a person the choice between incarceration and treatment, I am concerned that this is a false choice that effectively leads to forced treatment. I am especially concerned about the effects of such treatment, given that evidence has shown coerced treatment hinders participants' long-term recovery from their substance use disorder. For these reasons, I am not able to sign this legislation. Sincerely, Gavin Newsom

The Automobile Sales Finance Act, prohibits the seller or holder of a conditional sale contract for a motor vehicle from accelerating the maturity of any part or all of the amount due under the contract or repossessing the vehicle in the absence of default in the performance of any of the buyer's obligations under the contract. That act establishes a right in the buyer to reinstate a conditional sale contract for a motor vehicle after default, details various methods by which to cure the default, and in all cases requires reimbursing the seller or holder for all reasonable and necessary collection and repossession costs and fees incurred. A willful violation of these provisions is a crime. This bill would instead establish that in order to cure a default by any method, the buyer is required to reimburse the seller or holder for all reasonable and necessary collection and repossession costs and fees actually paid by the seller or holder.

Current law makes peace officer and custodial officer personnel records and specified records maintained by any state or local agency, or information obtained from these records, confidential and prohibits these records from being disclosed in any criminal or civil proceeding except by discovery. Current law sets forth exceptions to this policy, including, among others, records relating to specified

incidents involving the discharge of a firearm, sexual assault, perjury, or misconduct by a peace officer or custodial officer. Existing law makes a record related to an incident involving the use of force against a person resulting in death or great bodily injury subject to disclosure. Current law requires a state or local agency to make these excepted records available for inspection pursuant to the California Public Records Act, subject to redaction as specified. This bill would make a sustained finding involving force that is unreasonable or excessive, and any sustained finding that an officer failed to intervene against another officer using unreasonable or excessive force, subject to disclosure.

**Governor's Message:**

Gavin Newsom July 12, 2021 Governor State of California Governor's Office I object to the following appropriations contained in Senate Bill 129. SEC. 19.55-I delete this section. I am deleting this section because the budget control section authorizing the acceleration of up to an additional \$500,000,000 General Fund to support wildfire prevention and forest resilience activities was already enacted in AB 161, Statutes of 2021, which I signed on July 9, 2021. Therefore, to maintain the state's ability to accelerate funding for wildfire prevention activities authorized in AB 161, as well as the appropriation of \$258,000,000 for similar activities, I delete this section on a technical basis. As California enters a second consecutive year of dry fuel conditions, resulting in drought or near-drought throughout many portions of the state, it is critical that the pace and scale of fire prevention projects that protect California's most wildfire-vulnerable communities is accelerated. With the above deletions, revisions, and reductions, I hereby approve Senate Bill 129. Gavin Newsom

**Summary:**

Current law establishes the Board of State and Community Corrections to promote effective state and local efforts and partnerships in California's adult and juvenile criminal justice system and requires the board to inspect each local detention facility in the state biennially. Existing law requires a privately operated local detention facility responsible for the custody and control of a local prisoner to operate pursuant to a contract with the city, county, or city and county, as appropriate. Current law requires each contract to include a provision whereby the private agency or entity agrees to operate in compliance with all appropriate state and local building, zoning, health, safety, and fire statutes, ordinances, and regulations, and with specified minimum jail standards established by regulations adopted by the board. Current law provides that the failure of a privately operated local detention facility to comply with the appropriate health, safety, and fire laws, or with the minimum jail standards adopted by the board may be grounds for the termination of the contract. Under existing law, private detention facilities are generally prohibited, except for those operating pursuant to a valid contract in effect before January 1, 2020, as specified. This bill would require a private detention facility responsible for the custody and control of a prisoner or civil detainee to operate in compliance with these standards and to maintain specified insurance coverages, including general, automobile, and umbrella liability, and workers' compensation.

fostering the education and experience necessary to perform general police service duties. Existing law requires certificates to be awarded on the basis of a combination of training, education, experience, and other prerequisites, as determined by the commission. This bill would require the commission to work with stakeholders from law enforcement, the University of California, the California State University, the California Community Colleges, and community organizations to develop a list of courses to include as requirements for obtaining a basic certificate, as specified. The bill would require an applicant for a basic certificate to complete those courses before obtaining the certificate.

**Summary:**

Current law establishes the Social Innovation Financing Program, administered by the Board of State and Community Corrections, to award grants to 3 counties selected by the board, for the purpose of entering into a social innovation financing contract, pursuant to which private investors agree to provide financing to service providers to achieve social outcomes agreed upon in advance and the government agency that is a party to the contractual agreement agrees to pay a return on the investment to the investors if successful programmatic outcomes are achieved by the service provider. Current law requires the board and each county receiving an award to report annually to the Governor and Legislature, as specified. Current law repeals the program on January 1, 2022. This bill would, commencing July 1, 2022, authorize the board, upon an appropriation by the Legislature to the Social Innovation Fund created by this bill, to award a new round of grants to 5 counties selected by the board, as specified.

**Summary:**

Would revise and recast required components of the multiagency juvenile justice plan to, among other things, additionally require a plan to include an assessment of existing community-based youth development services, identification and prioritization of areas of the community that face significant public safety risk from crime, documentation of the effectiveness of the programs funded under these provisions, and a description of the target population funded under these provisions. The bill would require programs and strategies funded under these provisions to, among other things, be modeled on trauma-informed and youth development approaches and in collaboration with community-based organizations.

**Summary:**

Current law authorizes a court in a participating county to order a person who is suffering from mental illness and is the subject of a petition to obtain assisted outpatient treatment if the court makes various findings including, among others, there has been a clinical determination that the person is unlikely to survive safely in the community without supervision, the person's condition is substantially deteriorating, and, in view of the person's treatment history and current behavior, the person is in need of assisted outpatient treatment in order to prevent a relapse or deterioration that would be likely to result in grave disability or serious harm to the person or to others. Current law authorizes the petition to be filed by the county behavioral health director, or the director's designee, in the superior court in the county in which the person who is the subject of the petition is present or reasonably believed to be present, in accordance with prescribed procedures. This bill would, among other things, instead require that the above-described findings include clinical determination that the person is unlikely to survive safely in the community without supervision and that the person's condition is substantially deteriorating, or that assisted outpatient treatment is needed to prevent a relapse or deterioration that would be likely to result in grave disability or serious harm to the person or to others.
