

# COVID-19 in Adult Detention Facilities - Incarcerated

In an effort to track COVID-19 cases within the local detention facilities, we are asking you to report COVID-19 activity within your adult detention facilities.

Please complete one form for each facility within your county.

The reporting period begins on Sunday at 12:00am and ends on Saturday at 11:59pm.

Please provide counts for the reporting period only. Do not provide a cumulative total.

Select

# COVID-19 Rates in Incarcerated People

In this section, please report the total number of incarcerated people for each category.

Please provide one number only, do not include a range or additional narrative text.

If the number is between 1 and 10, put "<11" (including the less than symbol), do not report the actual number unless it is 0 or greater than 10.

**Total Number Tested \***

Total number of incarcerated people who have been tested for COVID-19 during the reporting period. If the number is between 1 and 10, put "<11" (please include the less than symbol).

**Total Confirmed Positive \***

Total number of incarcerated people who have tested positive for COVID-19 during the reporting period. If the number is between 1 and 10, put "<11"(please include the less than symbol).

**Confirmed Positive at Intake (optional)**

Of the incarcerated people confirmed positive, report the total number whose test was administered during the intake process. If the number is between 1 and 10, put "<11" (please include the less than symbol).

**Confirmed Positive First 14 Days (optional)**

Of the incarcerated people confirmed, report the total number whose test was administered within the first 14 days in custody, but not during intake. If the number is between 1 and 10, put "<11" (please include the less than symbol).

**Confirmed Positive In Custody (optional)**

Of the incarcerated people confirmed positive, report the total number whose test was administered while they were already in custody. If the number is between 1 and 10, put "<11" (please include the less than symbol).

**Hospitalized \***

Total number of incarcerated people who were hospitalized due to severity of COVID-19 symptoms. If the number is between 1 and 10, put "<11" (please include the less than symbol).

**Estimated Resolved \***

Total number of incarcerated people whose COVID-19 has resolved during the reporting period. If the number is between 1 and 10, put "<11" (please include the less than symbol).

**Deaths \***

Total number of incarcerated people whose death was related to COVID-19 during the reporting period. If the number is between 1 and 10, put "<11" (please include the less than

reporting period. If the number is between 1 and 10, put % (please include the less than symbol).

**Additional Information (optional)**

If there is any additional facility-level information you would like to provide to share on our dashboard, please do so in the space provided. This may include, but is not limited to, additional information related to inmate testing to provide context or a link to the county webpage where additional information about policies, procedures or additional data points related to managing COVID-19 in detention facilities may be obtained.

---

**Check this box to acknowledge the data provided include only the facility indicated above. \***
