

## Eligible Project Expenditures

The following project-related costs are eligible grant fund expenditures. These expenditures may also be claimed as match funds. Grantees must maintain adequate supporting documentation for all grant and match expenditures claimed on invoices.

1. **Salaries and Benefits** for project staff (applicant agency only).
2. **Services and Supplies** directly associated with the project.
3. **Travel** necessary for the success of the project (claimed in "Other" category):

**Note:** Out-of-state travel is restricted and only allowed in exceptional situations. Grantees must obtain prior approval from the Board of State and Community Corrections (BSCC) for any out-of-state travel by submitting an out-of-state travel justification to the Field Representative, detailing travel agenda and scope. The justification must be complete and show the benefits to the project in terms of the relationship to the project's goals, objectives, and activities.

In addition, California prohibits travel, except under specified circumstances, to states that have been found by the California Attorney General to have discriminatory laws. The BSCC will not reimburse for travel to these states unless the travel meets a specific exception under Government Code section 11139.8, subdivision (c). For additional information, please see: <https://oag.ca.gov/ab1887>.

The project director must submit a written declaration that the equipment to be purchased is: 1. to be used for services directly associated with the project, 2. essential to the success of the project, and 3. less expensive than leasing or renting the equipment for the grant period (based on a thorough investigation of lease and rental options).

6. **Lease payments** for office space and/or equipment needed for the project.
7. **Miscellaneous costs** for program incentives, transportation, books and supplies, special equipment, job related/training materials, and apprenticeship costs for program participants.

**Note:** Grantees must receive prior approval for program incentives that include monetary stipends or gift cards even if requested in the original application.

8. **Purchase or lease of a vehicle** necessary for the project.

## Eligible Project Expenditures

**Note:** The expenditure of grant funds to purchase or lease a vehicle requires prior approval from the BSCC, even if requested in the original application.

**10. Indirect Costs** necessary to the operation of the organization and performance of the project. The cost of operating and maintaining facilities, depreciation and administrative salaries are examples of indirect costs.

**Note:** Indirect cost may be charged by only one of the following options: 1. Indirect costs will be charged as 10% of total direct salaries and wages or 2. Indirect costs will be charged as 5% of direct total project costs (excluding equipment).
